

### 30 Alfred Street Milsons Point NSW

Introducing a new standard of luxury living for Milsons point, Aqualuna' architecturally striking low-rise boutique buildings are peacefully nestled amid waterside of Harbor bridge.

Kitchens incorporate granite island benchtops, a combination of timber and neutral coloured joinery, custom coloured tapware and quality Miele appliances. Bathrooms are beautifully finished with minimal aesthetic. In addition to the high quality custom coloured tapware, there is abundance of storage and ambient lighting.

Designed to make the most of every corner aspect, the sophisticated interiors of Aqualuna's residences evoke a timeless luxury, with details providing elegant comfort. Designed by leading Architects, Koichi Takada. Aqualuna takes design inspiration from the natural beauty of the
