

52-56 Old South Head Road Vacluse NSW

Quality design, high level finishes and effortless indoor/outdoor flow combine in this newly completed four-bedroom home. Defined by soaring ceilings of 3.3m and a light filled triple aspect (including northern broad side of the residence), it offers relaxed living over two spacious levels complemented by a sundrenched garden area with alfresco dining and plunge pool at the rear for entertaining. The home is immaculately presented and radiates sophisticated ambience, with a gourmet kitchen, flawless bathrooms and generous bedrooms including a master suite opening onto a balcony with district views towards the ocean.

Architectural details include floor-to-ceiling windows, exquisite timber joinery and beautiful engineered European oak floors together providing contemporary sophistication and timeless style, while fully ducted air conditioning,
